| CHRISTMAS PLANNING GUIDE

At Christmas we make room for many things...for people, for presents, and parties. However, all this activity can often crowd out the real reason we celebrate. This Christmas we want to make room for Jesus and open our hearts and homes to experience God's love, joy, peace, and hope. As a church, we have the opportunity to make this Christmas special, memorable, and a life changing experience for those who come through our doors. As you think about the season ahead, here are a few questions to ask:

- How can we transform our Sunday experience for this special Christmas season?
- How can we welcome our communities and provide the themes of Love, Joy, Peace, Hope within our church? Think about the sights, sounds, and smells of Christmas!
- How can we encourage people to pray, give, and worship as we upon the Arrival of King Jesus at Christmas?
- How can we best reach, serve, and demonstrate the love of Jesus to our community this Christmas season?

| 12 IDEAS FOR MAKING CHRISTMAS MEMORABLE

1. Mail a postcard to the surrounding community
2. Print invites for your congregation to handout to family and friends
3. Decorate the lobby, stage, and Kids Zone to create multiple photo ops
4. Plan a Christmas cookie exchange
5. Use the pre-made provided social media posts from series resources and post on your Instagram and Facebook pages to create excitement and engagement.
6. Host a family movie night with popcorn, cookies, and hot cocoa
7. Prepare the children's ministry to sing a special Christmas song
8. Plan a candlelight Christmas Eve service and sing Christmas carols
9. Give a special Christmas offering to local initiatives
10. Dress up your welcome team or have an ugly sweater Sunday
11. Have a family share a short testimony/story on video or live on Sunday
12. Host a Christmas bake-off and/or Tree lighting and decorating night

These are just a few ideas to get you started. Brainstorm more ideas with your team and find ways to get everyone involved in the planning!

COMMUNICATIONS TIPS & REMINDERS

- Keep your communication clear and simple - dates, service times, address, website. Don't miss the basics!
- Make sure your website is up to date. People will visit your website before they visit the church. Current information and photos will make a great first impression.
- Postcards are an effective way to invite thousands of people to church. Postcards have a long shelf life, so be sure to get them out early.
- Facebook ads are an inexpensive way to promote your services. Choose a great photo of your people, write a short, friendly invite, and link to your website for more information.
- Assign someone to take photos and/or video of your service. Not only can you share the photos and videos online to celebrate, but it also gives you updated pictures for your website and invites next year!
- Remember to update your website after Christmas. Change service times back to regular times, remove Christmas graphics and outdated events. Add a new homepage photo from your Christmas services! (Email updates to website@newlifechicago.org)

ACTION STEPS

WEEKLY SCRIPT

At New Life we believe that our giving is an act of worship. It's interesting that when Jesus was born, the Magi brought gifts to honor and worship Him. Read Matthew 2:9-12. These may sound like unusual gifts to us today, but in that time and place, these gifts had a great meaning and significance.

In a moment, we are going to pray and receive our Christmas offering. This is a special offering, above and beyond our regular tithes and offerings. And like the Magi, our giving is an act of worship, when we acknowledge Jesus as God and King.

Over the past few weeks we have been sharing about some of the initiatives that our giving is going to support. And we want you to know that here at New Life, our giving has meaning and eternal significance.

(Share the vision for your Christmas Offering and highlight the initiatives).

You may give today using the designated Christmas Offering envelope or go to christmasatnewlife.org to give online. Let's pray together.
