

Let's get started...

Seek Week is a time for us to press more deeply into prayer to see change in our hearts, our city, and the world. We want to take time for a spiritual reset before entering the fall season by turning up our spiritual temperature as a church.

This is going to be a beautiful time of prayer and worship as we continue to press into Jesus during this season of "All Hands on Deck". We pray that this blesses our church.

Planning

We made this playbook to help your location have a successful, spirit-filled, and stress-free Seek Week. Here are a few things to keep in mind and to communicate as we get closer to Seek Week.

- When? The week of August 11-17th.
- Where? Your church, community, and online.
- Who? Designate a Seek Week champion and prayer leaders.
- Please communicate with your congregation if they need anything specific.
